About this Financial Services Guide

This Financial Services Guide (FSG) is an important document designed to help you make an informed decision about whether to use the services we provide in relation to Kogan Life Insurance products.

It tells you who we are, how you can contact us, the services we provide, who we act for, the remuneration we and other relevant persons may receive for our services and how complaints are dealt with.

To assist in your decision whether to purchase a life insurance product, we will provide you with a Product Disclosure Statement (PDS). The PDS includes the benefits, risks and features of the product to help you make an informed decision about whether to purchase the product.

Please retain this document along with your PDS in a secure place for future reference.

Our services

GFS is an Australian Financial Services Licencee. GFS is authorised under this licence to provide general advice and deal in life risk insurance products. GFS authorises

Kogan Life Insurance to promote and provide general advice in relation to life insurance products under this licence.

All Kogan Life Insurance products are issued by Hannover Life Re of Australasia Ltd (Hannover) ABN 37 062 395 484. GFS acts under a binder from Hannover that enables GFS to provide life insurance products on their behalf directly to you. We do not act on your behalf in providing any of our services.

When you apply for life insurance products, we tell you about the product and collect certain information from you to allow the insurer to determine whether to issue a policy and on what terms.

Whilst we recommend the life insurance products generally, in making this general recommendation, we do not consider whether it is appropriate for your personal objectives, financial situation or needs as we do not act on your behalf. As a result, you need to consider the appropriateness of any information or general advice we give you, having regard to your personal circumstances before buying.

You need to read the PDS and any other relevant policy documentation to determine if the product is right for you. If you require personal advice, you need to obtain the services of a suitably qualified adviser.

Compensation Arrangements

We are required by the Corporations Act 2001 (Cth) to operate a compensation arrangement which is designed to compensate retail clients for losses they suffer as a result of a breach by GFS of the obligations outlined in Chapter 7 of the Corporations Act.

To this end, GFS has Professional Indemnity Insurance in place which meets the legislative requirements covering GFS activities and includes the conduct of any employees who are no longer employed by GFS but were so at the time of the relevant conduct.

The logo for Kogan Life Insurance features the word "kogan" in a bold, lowercase, sans-serif font. The letter "o" is stylized with a red power button symbol (a circle with a vertical line) inside it. Below "kogan" is the phrase "life insurance" in a smaller, lowercase, sans-serif font.

How are we and other relevant persons paid for the services provided?

Where you buy a life insurance product from us, you must pay the premium payable to the insurer for the product. We agree with you on the amount before you purchase the product.

For any policy or optional covers arranged by Kogan Life Insurance, the insurer will pay GFS, depending on the product you purchase, a maximum amount up to 81% of each premium paid on a level basis throughout the life of the policy. This is used to cover the costs of marketing, distributing and administering this product, and it is included in the premium you pay and does not cost you extra.

GFS will pay to Kogan Life Insurance, depending on the product you purchase, a commission amount of up to 19% of all premiums, paid on a level basis throughout the life of the policy. This amount is paid from the commissions GFS receives from the insurer. Our staff are paid salaries and may also qualify for extra remuneration depending on performance criteria. We have practices in place to ensure the conflicted remuneration requirements as set out in the Corporations Act 2001 are adhered to.
