Life Insurance

What is Life Insurance?

Life Insurance provides a benefit in the event that a Life Insured suffers an Accidental Death, dies of natural causes, or is diagnosed with a Terminal Illness, while covered under the Policy.

Who can take out Life Insurance?

You can apply for a Single Plan on your own life (Key Life Insured) or you can apply for a Joint Plan to also include your spouse, partner, or de facto (Partner Life Insured, if applicable).

You (and your Partner Life Insured, if applicable) must be Australian Resident/s and between 18 and 64 years of age.

Complimentary interim Accidental Death Insurance

If you apply for Insurance by phone, and we require further information to assess your application, you will automatically be provided with interim Insurance for up to 30 days against Accidental Death while we assess your application except in the circumstances explained under **What is not covered under your interim Accidental Death Insurance?** on page 10. The amount of interim Accidental Death Insurance cover is the Life Insurance Benefit Amount you apply for subject to the maximum cover amount indicated in **The amount of Life Insurance you can apply for on**

this page. This cover is provided at no additional cost to you and is subject to the terms explained in this PDS.

Your interim Accidental Death Insurance cover will cease after 30 days, or on the Acceptance Date, whichever occurs first.

The amount of Life Insurance you can apply for

The minimum Benefit Amount is \$100,000. The maximum Benefit Amount for a Life Insured under the Policy at the Commencement Date is:

Maximum Benefit Amount (at Commencement Date)

Current age	Benefit Amount
18 – 44	\$1,000,000
45 – 54	\$ 750,000
55 – 59	\$ 500,000
60 – 64	\$ 300,000

When you apply with a Partner Life Insured, you both apply for individual Benefit Amounts based on the limits above.

When we will pay the Life Insurance Benefit Amount

We will pay the benefits explained below if the Life Insured suffers an insured event, namely death or Terminal Illness, while covered under the Policy except in the circumstances explained in **What is not covered under your Life Insurance?** on page 10.

Life Insurance

We will pay the Life Insurance Benefit Amount as a lump sum on the death of a Life Insured. While assessing your claim, for deaths that are not the result of self-inflicted injury, we may advance \$10,000 of the Life Insurance Benefit Amount to assist with the costs associated with funeral or other similar expenses without waiting for full claim proofs, but we must have satisfactory evidence of the Life Insured's age and death. This advance payment is not payable if there is reasonable doubt about whether you have complied with your duty of disclosure (see page 28 for further details on your duty of disclosure).

Terminal Illness

We will pay the Life Insurance Benefit Amount as a lump sum if a Life Insured is diagnosed with a Terminal Illness while covered under the Policy.

Limit on benefits

The total benefits payable for a Life Insured under the Policy cannot exceed:

- the maximum Benefit Amount for Life Insurance for your age at the Commencement Date, plus
- any automatic Benefit Amount increases under the Policy.

If the Life Insured is covered under more than one Life Cover Policy, we will apply this limit to the total of the Benefit Amounts payable for the Life Insured under all Life Cover policies. Any reduction in the Benefit Amount will be applied to the Insurance most recently commenced and we will refund the premiums paid referable to the amount by which the Benefit Amount is reduced.

Only one Life Insurance Benefit Amount is payable per Life Insured.

The Life Insurance Benefit Amount will be reduced by the amount of:

- any Total & Permanent Disability Benefit Amount paid for a Life Insured;
- any Serious Illness Insurance Benefit Amount paid for a Life Insured; and
- any advance payment of the Life Insurance Benefit Amount.

If we reduce the Life Insurance Benefit Amount, we will reduce the premiums accordingly.

The cost of your Life Insurance

Premiums are the cost of your Insurance. The premium you are required to pay when the Policy starts is shown in the Policy Schedule.

Your premium is a stepped premium, which means that it will increase each year as you age. Your premium is calculated at each Policy Anniversary and is based on:

- the age of each Life Insured at that time;
- the Benefit Amount provided for each Life Insured;
- the Insurance Plan chosen by you (Joint Plan or Single Plan); and
- various factors which may affect the premium rating for each Life Insured such as gender, smoking status, state of health, family history, occupation and participation in hazardous activities.

On the Policy Anniversary following the Life Insured's 99th birthday, the premium will stay the same for the

remaining term of the Policy in respect of that Life Insured.

For a premium quote, or to understand more about the cost of your Insurance, please contact Kogan Life Insurance on **1300 513 484** (Monday to Friday between 8am and 8pm AEST), or visit **koganlifeinsurance.com.au**

What is not covered under your Life Insurance?

We will not pay a Life Insurance Benefit Amount in respect of a Life Insured, if the Life Insured dies, or has a Terminal Illness, directly or indirectly as a result of a self-inflicted injury, within 13 months of:

- the Acceptance Date of the Policy;
- the date that any increase in cover starts (but only in respect of the increase); or
- where we have agreed to reinstate the Policy after it was cancelled, the date on which we reinstate the Policy (reinstatement date).

We will not pay any benefits where we have agreed a special term with you in respect of your cover that specifically excludes the event or condition leading to the claim. Any such special term will be agreed with you before your Policy is issued and will appear on your Policy Schedule.

What is not covered under your interim Accidental Death Insurance?

We will not pay an interim Accidental Death Insurance Benefit Amount in respect of a Life Insured if the Life Insured suffers an Accidental Death directly or indirectly as a result of:

- intentional self-inflicted bodily injury;
- engaging in any criminal activities or illegal acts;
- suicide or attempted suicide;
- the consumption of drugs (unless it was under the direction of a Medical Practitioner and not in connection with treatment for substance abuse, drug addiction or dependence);
- the consumption of intoxicating liquor (including having a blood alcohol content over the prescribed legal limit whilst driving);
- engaging in any professional sport (meaning the Life Insured's livelihood is substantially dependent on income received as a result of playing sport);
- engaging in any motor sports as a rider, driver and/or passenger;
- war (whether declared or not) or war-like activity, or taking part in a riot or civil commotion; or
- being a pilot or crew member of any aircraft, or engaging in any aerial activity except as a passenger in a properly licensed aircraft.

When your Life Insurance starts and ends

If your application for Life Insurance is accepted by us, then cover starts for a Life Insured and/or Partner Life Insured (if applicable) on the Acceptance Date set out in the Policy Schedule. Your first premium is deducted from the Commencement Date, which is also set out in the Policy Schedule.

We guarantee to renew your Life Insurance (provided you pay your premiums when due) for life.

Life Insurance ends for a Life Insured when the first of the following occurs:

- the date of payment of a death claim for that Life Insured;
- the date of payment of a Terminal Illness claim for that Life Insured;
- the date of payment of a Total & Permanent Disability claim for the Life Insured where the Total & Permanent Disability Benefit Amount is the same as Life Insurance Benefit Amount;
- the date you cancel the Policy; or
- the date we cancel the Policy.

Where the Policy ends solely as a result of the Key Life Insured's cover ending, if there is a Partner Life Insured who wishes to retain cover, the Benefit Amount for the Partner Life Insured, and any Child Insured under this Policy, can continue (provided we receive payment of the first premium) under a new policy.

Children's Insurance Option

This option is only available with Life Insurance. You only have this cover if we accepted your application and it is shown in your Policy Schedule.

The serious injury or illness condition must be diagnosed by a Medical Practitioner and confirmed by our medical advisers.

Limit on benefits

Only one Children's Insurance Benefit Amount is payable per Child Insured. The total benefit payable cannot exceed \$50,000 for each Child Insured, plus any automatic Benefit Amount increases.

If the Child Insured is covered for Children's Insurance under more than one Life Cover Policy, we will apply this limit to the total of the Children's Insurance Benefit Amounts payable for the Child Insured under all such policies. Any reduction in the Children's Insurance Benefit Amount will be applied to the Children's Insurance most recently commenced and we will refund the premiums paid referable to the amount by which the Children's Insurance Benefit Amount is reduced.

The cost of your Children's Insurance

The premium you are required to pay for this option for each Child Insured is shown in your Policy Schedule.

The premium you are required to pay for this option when the Policy starts is shown in your Policy Schedule.

The Total & Permanent Disability Insurance premium is a stepped premium, which means that it will increase each year as you age. Your premium is calculated at each Policy Anniversary and is based on:

- your age (and/or the age of the Partner Life Insured, if any) at that time;
- the Benefit Amount provided for each Life Insured;

- the Insurance Plan chosen by you (Joint Plan or Single Plan); and
- various other factors which affect your premium rating (applicable to you or your Partner Life Insured as appropriate) such as gender, smoking status, state of health, family history, occupation and participation in hazardous activities.

For a premium quote, or to understand more about the cost of your Insurance, please contact Kogan Life Insurance on **1300 513 484** (Monday to Friday between 8am and 8pm AEST), or visit koganlifeinsurance.com.au

What is not covered under your Total & Permanent Disability Insurance?

We will not pay a Total & Permanent Disability Insurance Benefit Amount in respect of a Life Insured if the Life Insured suffers a Total & Permanent Disability directly or indirectly as a result of:

- an injury caused or accelerated by an intentional act performed by the Life Insured, Policyowner or person who will otherwise be entitled to all or part of the Benefit Amount; or
- an injury caused as a result of engaging in any motor sport as a rider, driver and/or passenger.

We will not pay any benefits where we have agreed a special term with you in respect of your cover that specifically excludes the event or condition leading to the claim. Any such special term will be agreed with you before your Policy is issued and will appear on your Policy Schedule.

When your Total & Permanent Disability Insurance starts and ends

If your application for Total & Permanent Disability Insurance is accepted by us, then cover starts on the Acceptance Date set out in the Policy Schedule.

If we agree to add Total & Permanent Disability Insurance to your Policy after the Acceptance Date, we will advise you of the date the Total & Permanent Disability Insurance starts.

- the date you cancel the Policy;
- the date we cancel the Policy;
- the date you cancel this cover; or

General Information

Your 30-day money back guarantee

You have 30 days from the Commencement Date or the date any optional benefit starts to make sure you are happy with it, and decide whether you want to keep the Policy or optional benefit. This is known as the 'cooling off' period. If you want to cancel your Policy, or the optional benefit within this 30-day period, you may do so provided you have not made a claim under the Policy.

If you wish to cancel your Policy and/or optional benefits within the cooling off period, please send a written request providing your instruction to cancel along with your full name and Policy number to:

Kogan Life Insurance
PO Box 6728
Baulkham Hills NSW 2153

If your request is received within 30 days of your Commencement Date, we will refund any premiums you have paid. If you wish to discuss the matter or make alterations to your cover, you can contact us on **1300 513 484** (Monday to Friday between 8am and 8pm AEST).

Automatic Benefit Amount increases

To help your level of Insurance keep up with the cost of living, your Life Cover Benefit Amount and all optional benefits (if applicable) are automatically increased on each Policy Anniversary by 5%.

Automatic increases will continue even where the maximum Benefit Amount is met or exceeded.

We will send you an updated Policy Schedule each year your Policy remains in force 30 days prior to your Policy Anniversary setting out your updated Benefit Amount and premium. You can decline the automatic increase by phoning us on **1300 513 484** (Monday to Friday between 8am and 8pm AEST), or by writing to:

Kogan Life Insurance
PO Box 6728
Baulkham Hills NSW 2153

If you decline the automatic increase, the updated Policy Schedule we sent you will not be valid and we will send you a replacement Policy Schedule.

If you decline the automatic Benefit Amount increase in any given year, we will continue to offer you automatic Benefit Amount increases on each subsequent Policy Anniversary until you are no longer eligible for them.

The automatic increases will end on the Policy Anniversary following the Life Insured's 75th birthday.

Further Insurance options

We may offer you the option of incorporating further Insurance benefits under your Policy. If you accept such offers, we will issue you with a new Policy Schedule setting out the terms and conditions of the Insurance option.

Premiums

We may change the premium rates applying to your Policy, but only if we change the premium rate applying to all (or the same group of) Life Cover Policyowners. We will send written notice of any change to you (to your last address notified to us) at least 90 days before the effective date of the change.

How you can pay for your Insurance and when your premium is deducted

Your premium will be debited on the date of your choice, either fortnightly, monthly or annually. The date on which your first premium is deducted will become your Policy Commencement Date. You can pay either by automatic debit from your bank, credit union or building society account or by credit card.

You may apply at any time in writing or by phone to change the method or frequency of payment of premiums. Payment frequency changes can only be made on the Policy Anniversary following the request.

All payments made in connection with this Policy must be made in Australian currency.

Changing your Insurance

You can phone us on **1300 513 484** (Monday to Friday between 8am and 8pm AEST) to discuss changing your insurance cover. You may need to confirm changes in writing if you wish to:

- decrease your Insurance;
- increase your Insurance;

- change from a Single Plan to a Joint Plan (or from a Joint Plan to a Single Plan); and
- change a Life Insured's status from a smoker to a non-smoker, for the purpose of determining your Insurance premium rating. You must provide a completed declaration form.

Any change and the terms and conditions relating to the change are subject to approval and written confirmation by us.

When we can cancel your Policy

If you do not pay your premium when it is due and it remains unpaid for more than one month, your Policy could be cancelled. It may be reinstated within six months of the date that the Policy was cancelled, but only if we agree and subject to any terms and conditions we might require.

The Policy will be cancelled if the Policyowner is on a temporary work visa and ceases to reside in Australia.

If you wish to cancel your Policy and/or optional benefits, please send a written request providing your instruction to cancel along with your full name and Policy number to:

Kogan Life Insurance

PO Box 6728

Baulkham Hills NSW 2153

If you wish to discuss the matter or make alterations to your cover, you can contact us on **1300 513 484** (Monday to Friday between 8am and 8pm AEST).

Insurance risks

There are a number of insurance risks you should be aware of, including:

- You need to select the insurance product and apply for the appropriate level of cover for your needs. If you do not have enough cover, it might cause you or your family to suffer financial hardship even after receiving the benefit payment.
- If you are replacing a contract or policy with another contract or policy, you should consider all the terms and conditions of each policy before making a decision to change.
- This Policy is designed purely for protection, unlike some other types of life insurance that have savings and investments components, which means that if you cancel your Policy (after the 30-day cooling off period), you will not receive any of the premiums you have paid back unless you have paid more than 30 days in advance.

Please be aware that we can cancel your Policy if you do not pay the premiums when due or, if you are on a temporary work visa and you cease to reside in Australia.

Benefit payments

Unless a valid nomination (explained below) applies:

- we make all benefit payments to you, the Policyowner; or
- if the Policyowner dies, the Insurance benefit will be paid to the Policyowner's legal personal representative, or other person that we are permitted to pay under the Life Insurance Act 1995.

All benefits paid in connection with this Policy will be made in Australian currency.

Nominations

As Policyowner, you can nominate a beneficiary or beneficiaries to receive the benefits payable under your Policy on your death.

To make a nomination, you need to complete a **Nomination of Beneficiaries Form** (available on page 38 of this PDS) or download one from koganlifeinsurance.com.au and return it to:

Kogan Life Insurance
PO Box 6728
Baulkham Hills NSW 2153

Conditions of nominations

The following conditions apply:

- There must not be more than five nominees.
- Nominations must be of a natural person.
- Nominations must be in writing on a **Nomination of Beneficiaries Form**.
- You may vary the nomination at any time by properly completing and signing a new **Nomination of Beneficiaries Form** and returning it to Kogan Life Insurance. The variation takes effect when it is received by Kogan Life Insurance.
- Payment of benefits will be made on the basis of the latest valid nomination received by Kogan Life Insurance.
- If a nominee is a minor when payment is made, the payment will be made to the minor's legal guardian on trust for the benefit of the minor.

- If a nominee pre-deceases the Policyowner, that nominee's share is payable to the Policyowner's legal personal representative, or other person that we are permitted to pay under the Life Insurance Act 1995.

The payment of the benefit in accordance with the above in respect of a Life Insured is full and final discharge of our liability under the Policy for that benefit.

If the Policyowner dies leaving a surviving Partner Life Insured, from the time of the Policyowner's death, the Benefit Amount for all surviving Lives Insured under this Policy will continue (subject to payment of the first premium) under a new Policy we will issue to the surviving Partner Life Insured in his or her name as the Policyowner. The new Policy will be issued on the same terms as this Policy and takes effect subject to payment of the first premium.

Making a claim

If you (or your legal personal representative on your death) wish to claim under this Policy, please phone **1300 513 483** (Monday to Friday between 8am and 8pm AEST), or write to:

Kogan Life Insurance
PO Box 6728
Baulkham Hills NSW 2153

We will send you a form to be completed, signed and returned. We may also require your treating doctor or specialist to complete a form at your (or your estate's) expense.

The Policy and the Insurance for the benefit must be in force when the insured event occurs.

Claims should be made as soon as possible after the event giving rise to the claim. If you do not notify us within 120 days after the event giving rise to the claim, and we are disadvantaged by the delay, we may be able to reduce the amount we would otherwise pay, or we may be able to refuse to pay the claim.

Before a claim can be fully assessed, we must receive proof, provided at your (or your estate's) expense and to our satisfaction, that the insured event has occurred. In addition:

- proof must be supported by one or more appropriate Medical Practitioners; and
- all relevant information, including any test, examination, or laboratory results, must be provided to us.

We may be entitled to refuse to pay the benefit under this Policy if a claim is made more than 120 days after the insured event giving rise to the claim without good cause or if we do not have evidence to our satisfaction of the Life Insured's death, the cause of the Life Insured's death, or of the applicable insured event.

We reserve the right to require the Life Insured to undergo, at our expense, examinations or other reasonable tests (including, where necessary, a post-mortem examination) to confirm the occurrence of an insured event. In addition, we may conduct investigations to assess the validity of the claim. This could involve the use of investigation agents and surveillance, legal advisers and the collection of personal data.

Tax

In most cases, your premium will not be tax-deductible and tax will not be payable on any benefit paid under your Policy.

This information is based on continuance of present tax laws and our interpretation of those laws. Your individual situation may differ and you should seek qualified professional advice in relation to your particular circumstances.

Your duty of disclosure

Before you enter into a life insurance contract, you have a duty of disclosure to tell us anything you know, or could reasonably be expected to know, which is relevant to our decision to insure you, and other Lives Insured, and on what terms. You have this duty until we agree to insure you. Your duty applies to all Lives Insured under the Policy, and you have the same duty to disclose those matters before you extend, vary or reinstate this Policy.

You do not need to tell us anything that:

- reduces the risk we insure you for;
- is of common knowledge;
- we know, or as an insurer, should know; or
- we waive your duty to tell us about.

If you do not tell us something

In exercising the following rights, we may consider whether different types of cover can constitute separate contracts of insurance. If they do, we may apply the following rights separately to each type of cover.

If you do not tell us anything you are required to, and we would not have insured you if you had told us, we may avoid the contract within three years of entering into it. This means we could refuse to pay a benefit.

If we choose not to avoid the contract, we may, at any time, reduce the amount you have been insured for. This would be worked out using a formula that takes into account the premium that would have been payable if you had told us everything you should have.

However, if the contract provides cover on death, we may only exercise this right within three years of entering into the contract.

If we choose not to avoid the contract or reduce the amount you have been insured for, we may, at any time vary the contract in a way that places us in the same position we would have been in if you had told us everything you should have. However, this right does not apply if the contract provides cover on death.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.
